

## Co-Labourers With Christ Adopt-A-Child Third Quarter Report – 2023

We've moved into the Fall portion of the year where the leaves turn yellow, then brown and shortly thereafter, they fall to the ground. We're moving out of an old place and into a **BEAUTIFUL NEW PLACE** filled with endless **possibilities** and, hopefully, **probabilities**. This new season will heighten our expectations by causing us to see what we haven't seen, to go where we haven't gone and do what we haven't done. It's **AMAZING** that **GOD** allows us to experience such a revival – merely by a slight change in the weather.

Is it **probable**, or even **possible**, that this is the perfect season to make the decision to adopt one of our **BEAUTIFUL**, priceless, loveable, deserving, and desirable children at the In Heaven's Eyes Center (IHE) in Nyahururu, Kenya East Africa? **Is it? Can you? Should you? Will you?** They need loving parents who will supply their very basic needs for only \$25 a month. This monthly amount will absorb the cost for food, clothing, school fees and shoes as well as other basic necessities. What makes it even better is that your \$25 is 100% tax deductible.

We are ecstatic to share a few **BLESSINGS** during our Third Quarter. **Firstly**, our very own Apostle Dr. Carolyn L. Vessel, Founder and Executive Director of Co-Labourers With Christ, adopted a child – just like that!! While reviewing the website as part of our monthly meeting, she abruptly said of six (6) year old Patrick Gathekia, **"Nobody's adopted that baby yet?"** And with her next breath, she joyfully said: "I'll take him, I'll adopt him myself," - just like that! Our **GREAT GOD** will reveal, to you, that very same thing. Please pay special attention to **HIS small, still, yet powerful voice** when **HE** speaks to you! Be **quick** to **OBEY**; **do not hesitate!** Immediately following Apostle Vessel's heavenly revelation, she went right back to business as usual. That was our first adoption this Quarter. **That's all it takes people of GOD!** 1) a review of our website showing our children available for adoption, 2) a word from the **LORD**, confirming that **HE IS** the one who **WILL SUPPLY ALL YOUR NEEDS** according to **HIS RICHES** in **GLORY** by **Christ Jesus**, and 3) make the decision to agree with **GOD** and **HIS ULTIMATE PURPOSE and FAITHFULNESS...** **That's IT, That's ALL...** I promise you will never ever regret it as it will cause **life, love, joy**, and **hope** to come to you and your new child. To date, twenty (20) of us have become adoptive parents to twenty-three (23) children. That leaves one, or perhaps two, left for you... *We have several children, patiently, awaiting adoption.*

**Secondly**, **GOD** blessed the Adopt-A-Children Ministry in a totally different manner. We became aware of the death of our faithful Co-Labourer, Shirley Vessel's brother, Joe Champs. Mr. Champs adopted ten (10) year old Simon Kimani in January 2022. The **LORD** led me to question the fate of young Simon. Shirley, too, felt the tug of the **LORD** on her heart strings and (just like our fearless leader, Apostle Vessel), said: "I'll take him (with tears in her voice and eyes) it's what my brother would have wanted." Again, just like that, and in absolutely no time flat, Ms. Shirley (without hesitation) allowed the **LORD** to fulfill **HIS** desire, for her, to become Simon's new parent. As a result, Simon will lack **NOTHING!** That's all it took! **In all SINCERITY, what will it take for you?** We cannot answer that question - for it is one that only our **GREAT GOD IN HEAVEN** can, and will, answer.

**Will you take a moment to ASK?** When you say **YES**, ultimately you will **BLESS GOD**. And don't think for one moment, that **HE** will not open the **"WINDOWS OF HEAVEN"** for not only you, but also for those near and dear to your **heart**. Take time to **LISTEN** with your **HEART** wide open, for **GOD** to **SPEAK...** As we continue to **PRAY** for you, please continue to **PRAY** for us... **Thank You Kindly!**

**WE LOVE YOU TO LIFE!**

**BLESSINGS ALWAYS...**
