

## **Co-Labourers With Christ (CLWC) Adopt-A-Child (AAC) Third Quarter 2024 Report**

The Fall Season is upon us. It is a calming, peaceful time of year where the leaves turn beautiful colors, where the weather can't determine if it wants to remain warm or turn cool and when we shift from Daylight Savings Time to Standard Time. We turn our clocks back and gain an extra hour of much-needed rest. It's amazing how much of a difference an hour can make. Yet this is a time of year when our **LORD GOD** wants us to settle down, relax and seek **HIS** face like never before.

While many are relaxing and enjoying the Fall breeze, the cool and peaceful nights, and spending more time with those near and dear to their hearts, the Co-Labourers with Christ (CLWC) Ministry is seeking and preparing for our **NEXT**. What, Dear **LORD**, do you want us to do in the vastly approaching new year, 2025? What does the **LORD** want you to do **NEXT**? Have you considered adopting one of our children from the In Heaven's Eyes Center (IHE) in Nyahururu Kenya, East Africa? *Hmmmm....*

**GOD** blessed our ministry, **AGAIN**, by allowing Ms. Joyce Reed to adopt one of our precious, **GOD**-fearing, and highly anointed children. Ms. Reed adopted 10-year old Shaleen Nasike. She was the one child set aside for adoption this Quarter. *That's GREAT – don't you think so? We certainly do!!* Shaleen and her siblings were abandoned by their birth mother who was, simply, unable to care for them after the father left. Necessary resources were extremely scarce. They were left on the side of a road. As much as their mother tried, she was unable to provide for them. Fortunately, the children were rescued by police and brought to IHE. The authorities knew that they would be afforded the opportunity to not only survive but thrive at IHE. Our children are found in unimaginable, deplorable conditions. But **GOD!!**

We house, and care for, many children with similar and even worse situations and circumstances. IHE never has, and never will, leave any child to fend for themselves. Our Executive Director, Benson Maara Karanja and his wife Susan Maara, have been called and specifically chosen by **GOD** to help **HIS** children as have we, the Co-Labourers With Christ. They consider every child at IHE their very own. Our children need peace, hope, comfort, sustenance, and last but certainly not least, the **blessing** of a **LOVING** family.

This ministry is a sacred trust to which the **LORD** has assigned us. Though **GOD** makes every provision, we are not equipped to do it alone. We need *YOUR* help! There are so many children that need parents, who they may never, ever meet face to face, but who will make the choice to help them live their best life. Are you one of those people/parents? Please give some sincere and serious thought to your response. If you are *blessed* to read this Report, know that you have been, specifically, chosen to help **HIS** children. We urge you to retreat to your secret place and, diligently, seek the **LORD** our **GOD** for **HIS** guidance, instructions, and provision regarding the adoption of a child at IHE.

You can adopt a child for only \$25 per month. This nominal fee includes the purchase of school uniforms, a top-notch education, bedding, shoes, meals, safe lodging and so much more. In addition, your investment is one hundred percent (100%) tax deductible as CLWC is a 501(c)3 Charitable Organization. You have nothing to lose but everything to gain, namely, helping a child with their basic, daily needs! That feeling will warm your heart, your soul, and your *Spirit*. **GOD** has chosen you; will you choose **HIM**? **HE's** waiting for your YES, **LORD**, "I can, and I will!" To **GOD** be the **GLORY** for all that **HE** has and will continue to do.

We **love** you with the **love** of **JESUS** in our heart. Continue to **PRAY** for us as we continue to **PRAY** for you.

**BLESSINGS...**
